

the Five Action Strategies

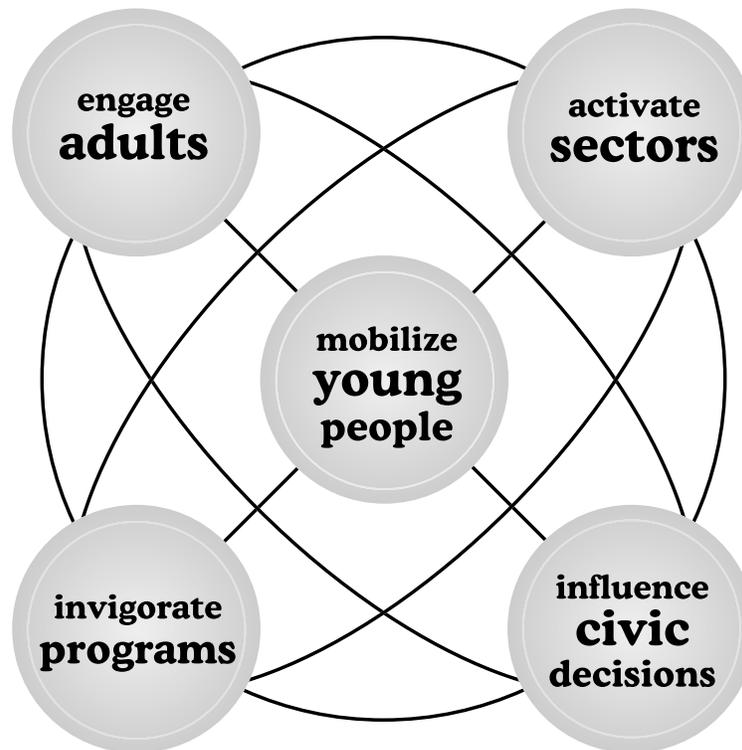

Five Action Strategies for Transforming Communities and Society: Creating a World Where All Young People Are Valued and Thrive

- **Engage Adults** — Engage adults from all walks of life to develop sustained, strength-building relationships with children and adolescents, both within families and in neighborhoods.
- **Mobilize Young People** — Mobilize young people to use their power as asset builders and change agents.
- **Activate Sectors** — Activate all sectors of the community—such as schools, congregations, youth, businesses, human services, and health-care organizations—to create an asset-building culture and to contribute fully to young people’s healthy development.
- **Invigorate Programs** — Invigorate, expand, and enhance programs to become more asset rich and to be available to and accessed by all children and youth.
- **Influence Civic Decisions** — Influence decision makers and opinion leaders to leverage financial, media, and policy resources in support of this positive transformation of communities and society.
